ANTICIPATED UNIVERSAL PREKINDERGARTEN APPLICATION 2025-2026

Applications give eligible students access to be included in the *random lottery selection process. Please be reminded that completion of this application does not guarantee enrollment for your child in the Valley Central School District Universal Prekindergarten Program.

Please complete all required parts of the UPK application. Please make sure that all forms (front and back) are completely filled out, signed, and dated. **WE CANNOT MAKE PHOTOCOPIES FOR YOU. YOU MUST PROVIDE YOUR OWN COPIES.** In addition to the attached forms, the following items <u>must</u> be provided:

- 1. Copy of Birth Certificate (UPK applicants must be 4 years old on or before December 1, 2025. Five year olds are not eligible per New York State Regulations)
- 2. Immunization Record
- 3. Proof of Residency (see "Documents" #15-#16 on page 2 and Proof of Address List on page 3)
- 4. Custody/Legal Guardianship Papers (if applicable)

FEBRUARY 14, 2025

All eligible applications received by 4:00 pm on February 14, 2025 will be included in the lottery. All eligible applications received after 4:00 PM on February 14, 2025 will be placed on the waiting list.

We accept UPK applications all year long!

RETURN APPLICATIONS TO:

Tammy Coleman/UPK Central Office Administration 944 State Route 17K Montgomery, NY 12549

Applications can be mailed to the address above or dropped off at the front desk of the Central Office Administration building between the hours of 9:00 AM – 3:00 PM. UPK staff are unable to answer questions or personally accept your application if you choose to drop it off. If you have any questions about the application or required documentation, please call or email the UPK Office <u>BEFORE</u> bringing your application to the Central Office Administration building at (845) 457-2400 ext. 18134 or <u>UPK@vcsdny.org</u>.

*Random Lottery Selection Process

Applications for half-day, full-day, and expanded-day prekindergarten will be accepted beginning on January 23, 2025 and ending on February 14, 2025. As required by the NYS Commissioners' Regulations, a random lottery selection process has been developed for choosing all prekindergarten students who will utilize the grant funds. After the application deadline each eligible application will be numbered and chosen randomly by the Board of Education and/or its designee. ALL applicants will be notified via email of the lottery results. Those students selected will be placed at one of the UPK Providers based on selection number and availability of space. If necessary, waiting lists will be created. Once a student has been selected, a full registration through the Valley Central School District will be required; all parents/guardians of students selected will be emailed information about the registration process.

Christine Fenner Registered Nurse Mara Costagliola
Director of Pupil Services &
Special Programs

Dear Parent(s) and Guardian(s),

This letter is to inform you of the immunization requirements for school entrance. Due to a change in the public health law, religious exemptions from vaccinations are no longer permitted in New York State for students as of June 13, 2019. However, medical exemptions are permitted and must be completed on a medical exemption form issued by NYSDOH. The medical exemption should specify which immunization is detrimental to the child's health, provide information as to why the immunization is contraindicated based on current accepted medical practice, and specify the length of time the immunization is medically contraindicated, if known. Please note, medical exemptions must be re-issued yearly.

You may have titers drawn to determine immunity status if your child is behind in his/her vaccinations. Please note that evidence of immunity can only be for the following diseases: Measles, Mumps, Rubella, Varicella, and Hepatitis B and a lab report will need to be provided to the school as proof of immunization. All children MUST be fully immunized prior to the beginning of the 2025-26 school year.

If your child has any allergies (non-threatening or life threatening) or any chronic illnesses such as asthma, diabetes, seizures, etc, it must be documented by a healthcare provider to ensure the school nurse can provide accurate and safe medical attention to your child. Please have your child's health care provider fill out any necessary health forms provided by the Valley Central School District or provide the school with a treatment plan from his/her office.

Lastly, your child MUST have a current physical at the beginning of the 2025-26 school year. No expired physicals will be accepted. If your child has a physical or receives immunizations during the school year, please be sure to forward me updated copies of both records.

Thank you for your cooperation and consideration in this matter. Please do not hesitate to contact me at (845) 457-2400 ext 13700 or upknurse@vcsdny.org with any questions.

Best Regards,

Christine Fenner, RN, BSN UPK Nurse Valley Central School District 11-18-24

What Your Child's Blood Lead Test Means

The blood lead test tells you how much lead is in your child's blood. Lead can harm a child's growth, behavior, and ability to learn. The lower the test result, the better.

Most lead poisoning occurs when children lick, swallow, or breathe in dust from old lead paint. Most homes built before 1978 have old lead paint, often under newer paint. If paint peels, cracks, or is worn down, the chips and dust from the old lead paint can spread onto floors, windowsills and all around your home. Lead paint dust can then get onto children's hands and toys, and into their mouths.

Most children have had some contact with lead in old paint, soil, plumbing, or another source. This is why New York State requires doctors to test all children with a blood lead test at age **1 year** and *again* at age **2 years**. For children up to age six years, your doctor or nurse should ask you at every well child visit about ways your child may have had contact with lead. Children who have had contact with lead should be tested.

A high test result using blood from a fingertip should be checked again with a second test using blood taken from a vein (often in the arm). If the second result is still high, you should follow the steps below.

Test Result in micrograms per deciliter (mcg/dL)	Next Steps
0-4	 There is very little lead in your child's blood. The average lead test result for young children is about 2 mcg/dL.
5-9	 Your child has a little more lead than most children. Talk with your doctor and local health department to find out how your child might have come into contact with lead, and ways to protect your child. Your doctor might want to test your child again in 3 to 6 months.
10-14	 Your child's lead level is high. A result of 10 or higher requires action. Your doctor and local health department will talk with you to help you find sources of lead, and ways you can protect your child. Your child should be tested again in 1 to 3 months.
15-44	 Your child's lead level is quite high. You and your doctor should act quickly. Talk with your doctor or nurse about your child's diet, growth and development, and possible sources of lead. Talk with your local health department about how to protect your child. They may visit your home to help you find sources of lead. If the lead level is 15 to 24, your child should be tested again in 1 to 3 months. If the lead level is 25 to 44, your child should be tested again in 2 weeks to 1 month.
45 or higher	 Your child needs medical treatment right away. Your doctor or health department will call you as soon as they get the test result. Your child might have to stay in a hospital, especially if your home has lead. Your local health department will visit your home to help you find sources of lead. Your child should not go back home until the lead sources are removed or fixed. Your child needs to be tested again after treatment.

Child's Name:	Test Result:	mcg/dL	Date:
		J	

Dental Health Certificate- Optional

Parent/Guardian: New York State law (Chapter 281) permits schools to request an oral health assessment in the following grades: school entry, Pre K or K, 1, 3, 5, 7, 9 & 11. Your child may have a dental check-up during this school year to assess his/her/their fitness to attend school. Please complete Section 1 and take the form to your registered dentist or registered dental hygienist for an assessment. If your child had a dental check-up before he/she/they started the school, ask your dentist/dental hygienist to fill out Section 2. Return the completed form to the school's medical director or school nurse as soon as possible.

Section 1. To be completed by Par	ent or Guardian (Please Print)			
Child's Name: Last First	Middle			
Birth Date: / / Gender: Will this be your	child's first oral health assessment?	es 🗆 No

Computer And Networked Information Resources Student User Agreement

I, the undersigned, agree to act responsibly and comply with all rules and regulations promulgated by the Valley Central Board of Education regarding the use of District computers and networked information resources (including the Internet).

- Students are only allowed to have access to District computers and/or networked information resources (including the Internet) under the direct and immediate charge of a supervising adult who must be present during the entire duration of the process Uploads, downloads, file transfers, Etc. must be approved by the supervising adult.
- Students are only allowed to use District computers and/or networked information resources (including the Internet) for school-related research and/or communication.
- Students must use the appropriate language and etiquette in electronic transmission and information searches and must not give out personal information and/or e-mail addresses unless approved by a supervising adult.
- Use of computing facilities, networks, or other resources shall not be used to interfere with the work
 of other students and/or the educational process.
- Any student who receives any communication that is inappropriate shall immediately bring the incident to the attention of the supervising teacher or administrator.

Computer and all networking resources remain the exclusive property of the District; therefore, students have no reasonable expectation of privacy in anything created, stored, sent, received or accessed on District computers including but not limited to information on computer hard drives, e-mail messages, and on-line activities.

Any person who is determined to have used computers and/or networked information resources (including the internet) inappropriately or who violates the District's Policies and its Regulations will have his/her use of school on-line privileges terminated. Further, such a breach may subject a user to disciplinary action consistent with the Student Code of Conduct, and state and federal law, and may result in the user being referred to appropriate law enforcement officials where the breach is suspected to be illegal.

This agreement must be signed by the parent/legal guardie	in. Grade <u>PK</u>	School <u>UPK</u>
